

Arcadia Public School Summer Fundraiser 2016

Hello All

In an attempt to get ready for Summer and the APS school swimming carnivals we have sourced a few Summer items that are handy for our children’s use at school, Christmas presents or similar.

The purpose of the fundraiser is to encourage our children to look forward to participating in the general summer swimming at the beach, pool and swimming carnival next year!

We have put the package together with multiple children in mind with the option of picking individual items below should you prefer.

We expect the summer package to move quickly so get in quick! Please remember all funds raised go straight back into our child’s wonderful little school.

Any further enquiries please contact the APS P&C arcadia-p.school@det.nsw.edu.au
